INSPIRED BY THE NORTH.
CRAFTED FOR THE WORLD.

NEW A new design signature. An immediate impression. This is the FJORD 440 open. T-Top and windshield, both reprofiled, sharpen the nordic clarity of FJORD into its bo ldest expression yet. In front of you, a dashboard inspired by the world of supercars. Below, cabins dressed in Italian flair, with texture and tone masterfully matched. Only one question remains: What is your next destination?
